ABOUT THE 495 EXPRESS LANES NORTHERN EXTENSION STUDY

VDOT is studying plans to extend the I-495 Express Lanes approximately three miles from the Dulles Toll Road interchange to the vicinity of the American Legion Bridge

- Study is assessing traffic, noise, and other environmental factors
- Draft environmental assessment document ready in fall 2019
- Public hearing in fall 2019 with final decision on document expected December 2019

Design concept includes two express lanes in each direction with potential access at Dulles Toll Road and George Washington Memorial Parkway

- Design includes improvements to bridges for Live Oak Drive, Georgetown Pike, Old Dominion Drive
- Design includes shared-used path and bike trail coordinated with Fairfax County
- Coordinating with Maryland’s I-495 & I-270 P3 program
- Independent design that could be built regardless of Maryland plans
