Note: This schematic reflects a preliminary conceptual design that is still under review and study, and alternative configurations and access locations are being evaluated and coordinated with project stakeholders.

Alternative configurations and access locations are being evaluated and coordinated with project stakeholders.
Dulles Toll Road Area - Design Year (2045)

Note: This schematic reflects a preliminary conceptual design that is still under review and study, and alternative configurations and access locations are being evaluated and coordinated with project stakeholders.

Legend

- Proposed Express lanes and ramp
- Potential future Builder's Option
- Proposed General Purpose Lanes Improvements
- Proposed Paved Shoulder/Raised Median
- Proposed Bridge
- Potential Future Shared Path By Others
- Potential Future Shared Use Path By Others
- Potential Future Bridge By Others
- Potential Future General Purpose Lanes Improvements
- Potential Future Express Lanes Improvements
- Proposed Shared Use Path
- Proposed Bridge (Access and Toll)
- Proposed Bridge (Acc & Toll)
Note: This schematic reflects a preliminary conceptual design that is still under review and study, and alternative configurations and access locations are being evaluated and coordinated with project stakeholders.
The schematic reflects a preliminary conceptual design that is still under review and study, and alternative configurations and access locations are being evaluated and coordinated with project stakeholders.
I-495/GW Parkway Area - Design Year (2045)
I-495 Express Lanes Northern Extension Study - PIM - May 20, 2019

Project Location

Legend

Note: This schematic reflects a preliminary conceptual design that is still under review and study, and alternative configurations and access locations are being evaluated and coordinated with project stakeholders, including MDOT and HRB.
