Find out about the latest updates and information related to the Virginia Department of Transportation's plans to extend the 495 Express Lanes by approximately three miles from the Dulles Toll Road interchange to the George Washington Memorial Parkway interchange in the vicinity of the American Legion Bridge. The 495 NEXT project is advancing to the design and construction phase, following more than three years of environmental study and traffic analysis, and the receipt of "Finding of No Significant Impact (FONSI)" from the Federal Highway Administration (FHWA) and the National Park Service on its Environmental Assessment, and an approval from FHWA on its Interchange Justification Report.

Also, learn about the Maryland Department of Transportation State Highway Administration's (MDOT SHA) New American Legion Bridge I-270 to I-70 Traffic Relief Plan. MDOT SHA representatives will provide information on proposed project improvements in Virginia near the George Washington Memorial Parkway and across the American Legion Bridge into Maryland. Information about these proposed project improvements can be found at www.495-270-p3.com.

Hear about ongoing collaboration and coordination between Virginia and Maryland project teams to improve travel and bring relief and multimodal solutions to I-495 and the Capital Beltway area. Information on transit planning and commitments will also be provided.

The meeting will be held as a **virtual/online meeting**. Information for accessing and participating in the virtual meeting is available at **www.495NorthernExtension.org**. The project team will make a presentation beginning at 6:30 p.m., followed by an opportunity for questions and answers.
